

Hello.

The Brodie Lodge Playing Field trustees would like to invite you to subscribe to our monthly 200+ Club Draw. The Club was a major part of our income in both 2020 and 2021, and the subscriptions we received provided much needed support for our cause last year. The Playing Field is owned and run entirely independently as a charity on behalf of the village.

**Your charity support also gives you chances to win! Did you know that you can check the latest draw results on our website or in the Flore Messenger? Each month details of our £80, £40, £20 and £10 prize winners are shared.** The Draw is usually held at the White Hart Pub during the week before the 20<sup>th</sup> of the month.

The past 12 months have been rather subdued quiet at Brodie Lodge although some sporting activities have returned after COVID-19 as well as some car boot sales, bonfire night and other activities. Throughout the pandemic the field has been a popular spot with both walkers and dogs, and latterly the play equipment has also provided fun, excitement and healthy exercise for children deprived of school and holiday travel.

So a big “thank you” to everybody for helping to keep the playing field a safe place. It has been such a pleasure to see so many villagers making good use of the facilities.

Our trustees have also been keeping it safe with tree surgery, playground equipment repairs and fire/electrical safety standards all maintained. Careful management of our cash reserves has also enabled the usual hedge cutting and grass strimming to be completed.

Importantly, too, the Pavilion has remained the home of Flore Pre-School, providing an invaluable care and educational facility for nursery age children.

With restrictions now eased we hope that everyone can enjoy a livelier summer this year. It is anticipated that our car boot sales will restart, with the first one planned for the 3<sup>rd</sup> April. Everyone enjoys the buzz of these events, and of course the money they raise helps us to keep the field neat, tidy and well equipped.

So please help us along by completing the 200+ Club subscription form overleaf and returning it to any of the addresses listed on the form. You can pay for your subscription using cash, a cheque or by BACS bank transfer – whatever you prefer. All the instructions you need are on the form.
